- **Software:** Microsoft Office Suite, Virtual Box, Adobe InDesign, Adobe Photoshop, Adobe Dreamweaver, CloneZilla, Free & Open Ghost (FOG)

Experience

University of Pittsburgh at Bradford - Bradford, PA

Computer, Telecommunication, & Media Services Work Study

August 2011 - April 2015

Responsible assisting faculty, staff, and students with their computing problems, including diagnosing and repairing computers. I assisted in the process of cloning, imaging, and deploying faculty & staff workstations.

Building Manager

May 2014 - August 2014

My responsibilities included assisting guests by providing information through an information desk, setting up rooms for conferences & events, providing technical assistance with projectors, microphones, and room lighting, delivering linens to guests, and encoding cards for rooms.

Orientation Counselor

August 2013 & August 2014

As an orientation counselor I was responsible for helping incoming students become acquainted with the University, guiding students through an orientation program, explaining campus policies to students, and encouraging social interaction.

Awards & Certifications

CompTIA A+ Certification

December 2009

Code: E9J13DTLMDR1K05X
